Front Cover

Back Cover

The Answer Key allows students to self-check their answers to each task.

Cardstock Cover keeps an answer key secure until students are ready to check their work.

Mathematics STAAR® Workstations Volume 2 Features

Inside Folder

Each workstation includes step-by-step instructions to aid students in completing each task.

Some workstations include card sorts or have other manipulatives. Cards are stored in the folder either in a pocket (created using cardstock or an envelope) or in a resealable plastic bag.

A STAAR® -formatted assessment item is included in each station.

Each workstation includes a literacy component to promote understanding and academic vocabulary.

Varied border designs are used to distinguish tasks.

Each workstation includes a reproducible master that provides students with a study guide.
