Mathematics STAAR® Workstations Volume 1 Features

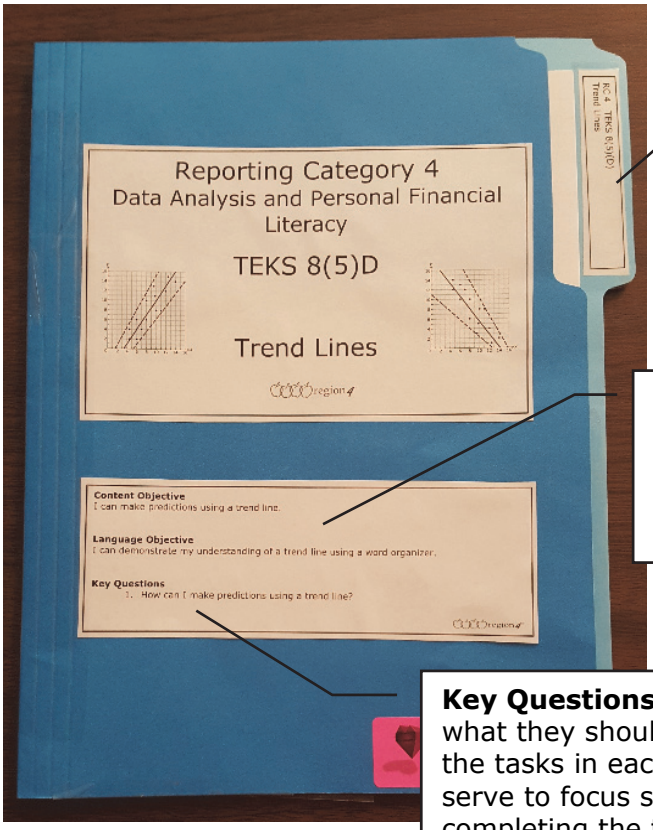
Front Cover



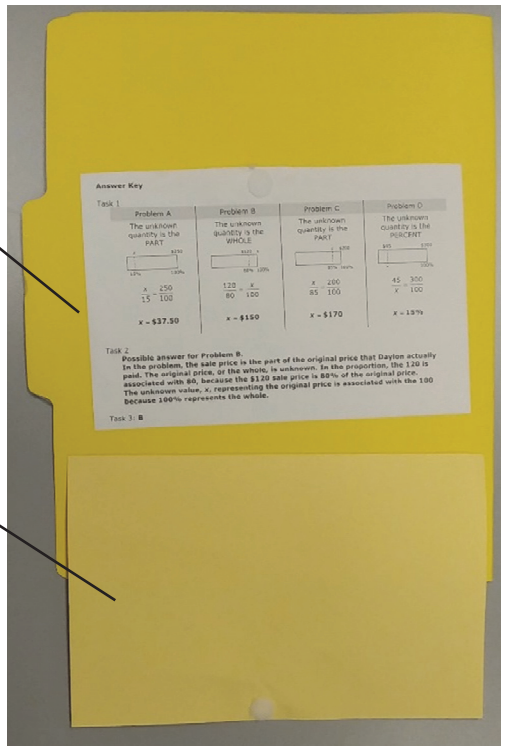
Folder Tab Labels are provided to aid in organization of folders.

Language Objective and **Content Objective** describe the focus of the TEKS-based activity in student-friendly language.

Key Questions help students focus on what they should know after completing the tasks in each activity folder. They also serve to focus student discourse while completing the tasks.

Back Cover

The **Answer Key** allows students to self-check their answers to each task.



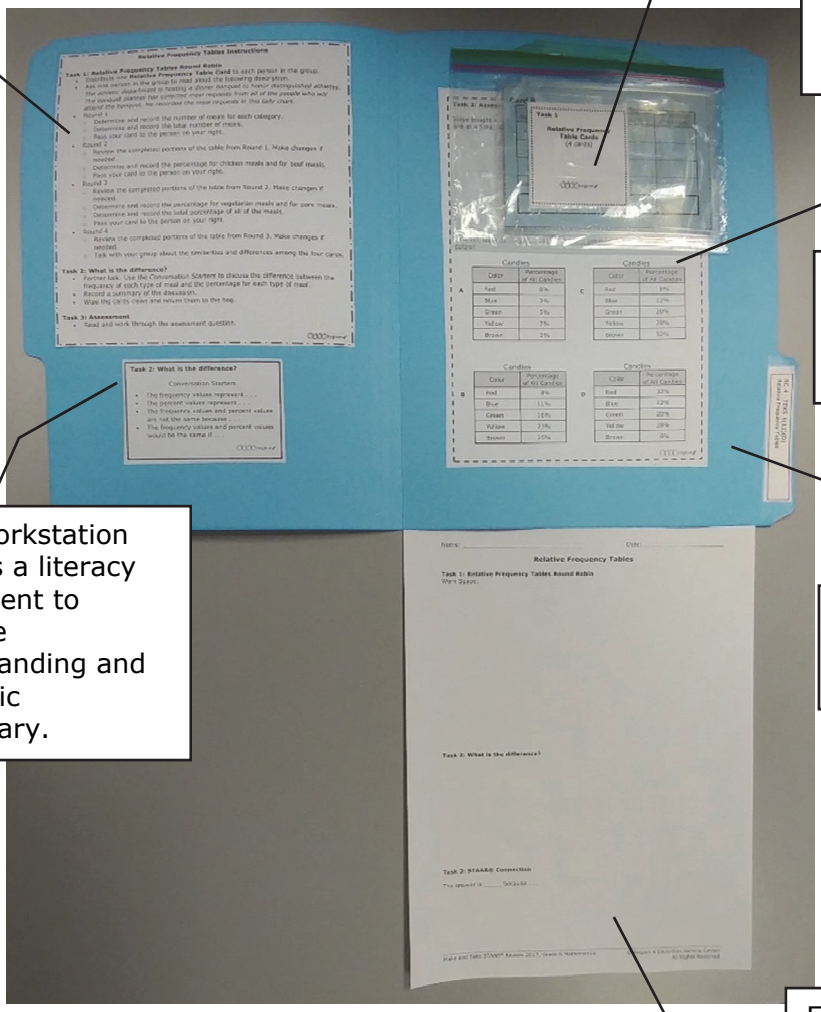
Cardstock Cover keeps an answer key secure until students are ready to check their work.

Mathematics STAAR® Workstations Volume 1 Features

Inside Folder

Each Workstation includes step-by-step instructions to aid students in completing each task.

Some workstations include card sorts or have other manipulatives. Cards are stored in the folder either in a pocket (created using cardstock or an envelope) or in a resealable plastic bag.



A STAAR® -formatted assessment item is included in each station.

Each Workstation includes a literacy component to promote understanding and academic vocabulary.

Varied border designs are used to distinguish tasks.

Each Workstation includes a reproducible master that provides students with a study guide.
