

Table of Contents

Introduction	v-viii
What is fluency?	v
What is <i>Integrating Fluency Practice: Algebra I, Volume 1</i> ?	vi
What is in a fluency practice activity set?	viii
Fluency Practice Activity Sets	1-129
Laws of Exponents	1
Factoring Binomials and Trinomials	12
Rate of Change	24
Solution Sets of Linear Inequalities	38
Writing Linear Equations	57
Writing and Solving Systems of Linear Equations	69
Attributes of Linear and Quadratic Functions	85
Solving Quadratic Equations	97
Transformations of Linear and Quadratic Functions	109
Exponential Functions	118
