

# Table of Contents

<b>Introduction</b> .....	<b>v-viii</b>
What is fluency? .....	v
What is <i>Integrating Fluency Practice: Algebra I, Volume 1</i> ? .....	vi
What is in a fluency practice activity set? .....	viii
<b>Fluency Practice Activity Sets</b> .....	<b>1-129</b>
Laws of Exponents .....	1
Factoring Binomials and Trinomials .....	12
Rate of Change .....	24
Solution Sets of Linear Inequalities .....	38
Writing Linear Equations .....	57
Writing and Solving Systems of Linear Equations .....	69
Attributes of Linear and Quadratic Functions .....	85
Solving Quadratic Equations .....	97
Transformations of Linear and Quadratic Functions .....	109
Exponential Functions .....	118
