Inside Folder

Each workstation includes step-by-step instructions to aid students in completing each task.

Each workstation includes a literacy component to promote understanding and academic vocabulary.

Some workstations include card sorts or have other manipulatives. Cards are stored in the folder either in a pocket (created using cardstock or an envelope) or in a resealable plastic bag.

Varied border designs are used to distinguish tasks.

A STAAR® formatted assessment item is included in each station.
